ABOUT US

Ace Mica is one of the leading manufacturers of high pressure laminates in india, we have been successfully catering to the specific requirements of our clients with Gloss, Matt, Suede & Texture in our range of extraordinary laminates. We have a team of dedicates and qualified professionals who ensure the best of the quality and also are responsible for developing the new range of products that keep us ahead in the market.

Being a trendsetter in the laminate industry, we now introduce a new and exclusive collection of wooden finishes and abstract designs. Marquise collection is bound to create an impression and strive a perfect cord for your interiors.

*Certified
Excellence*

The Indian Green Building Council (IGBC), part of the Confederation of Indian Industry (CII) was formed in the year 2001. The vision of the council is, "To enable a sustainably built environment for all and facilitate India to be one of the global leaders in the sustainably built environment by 2025"

ISO 9001:2015 is an international standard related to quality management system, applicable to any organization from all types of business sectors and activities. ISO 9001:2015 is based on eight management principles [all fundamental to good business practice]. When fully adopted, these principles can help improve your organizational performance.

BIS is the National Standard Body of India established under the BIS Act 1986 for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith or incidental thereto. BIS has been providing traceability and tangibility benefits to the national economy in a number of ways - providing safe reliable quality goods; minimizing health hazards to consumers; promoting exports and imports substitute; control over proliferation of varieties etc. through standardization, certification and testing.

The UL GREENGUARD Certification Program requires that products undergo independent, scientific testing and ongoing monitoring of their chemical emissions.[1] Only products that meet UL Environment's stringent emissions standards qualify for certification. These standards are based on established criteria from key public health agencies.

02 CATEGORY
ABSTRACT

Add a touch of creativity with our Abstract Collection—artistic patterns and modern textures that bring unique style and dynamic energy to any space.

04 CATEGORY
SOLID

Elevate your interiors with our Solid Collection—sleek, modern shades that bring warmth, harmony, and lasting durability to any space.

 Anti Fingerprint
Thermal Healing Technology
High Abrasion Resistance (5N)

nano
Matte

Nano Matte surfaces feature an ultra-matte finish with advanced anti-fingerprint technology and Thermal Healing Technology. Minor scratches on the surface can self-repair when exposed to heat, helping maintain a flawless look over time. They reduce light reflection and resist smudges and marks, keeping surfaces clean and elegant with minimal maintenance. Designed for modern interiors, they offer durability with a smooth, premium touch.

Thermal Healing Technology

Satin Smooth Touch and Haute Matte
The smooth premium texture adds a subtle yet captivating charm to every space.

Fingerprint Resistant
Designed to minimize fingerprints and grease marks, keeping surfaces clean and refined.

High Scratch Resistance
Engineered to resist scratches Upto 5N, these surfaces maintain their refined look for years to come.

Easy Clean
Minor surface micro-scratches can be gently removed using a wet cotton cloth or melamine foam.

Blistering Resistance		EN 438-2-32 or 33	seconds	10	NA
Fire Performance					
Reaction to Fire		EN 13501-1	Class	-	Bs1 d0 for FR & Cs1 d0 for GS
Thermal Conductivity		EN 12524	W/m K		0.24
Health and Environmental Characteristics					
Food safe		EN 13130-1			YES
Formaldehyde emission (release)		EN 717-1/UL 2818	Class	-	E 1/7.3ppb
Volatile Organic Compounds (VOC) Emission		ISO 16000-9	Class	-	A
Antibacterial Properties		JIS Z 2801	Reduction in %	99.99 Min	> 99.99

Available Sizes	910MM X 2100MM (3'X7') Matt, 990MM X 2100MM (3.25'X7') Matt, 1220MM X 2440MM (4'X8'), 1220MM X 3050MM (4'X10'), 1300MM X 3050MM (4.25'X10') in selected texture.
Grades & Thickness	0.50MM to 25MM
Surface Resistance	Artificial Perspiration, Citric Acid Solution, Coffee, Cooking Fat, Gasoline, Ink, Rectified Spirit, Kerosene, Milk, Sodium Hydroxide Solution, Tea, Wax Crayon
Disclaimer	Prices vary based on type, finish, thickness, size, and color. Consult our branches/dealers before quoting. Regular customers will be notified of discontinued items in advance. The company is not liable for supply disruptions.
WARRANTY	Ace Mica Pvt. Ltd. guarantees that, under normal use, its products meet the standards specified in the relevant technical data sheet.
	Dealers and distributors receive a technical data sheet outlining product performance standards.
	The company's liability is limited to repairing or replacing defective products at its sole discretion.
	This warranty does not cover defects or damage caused by accidents, misuse, extreme temperatures, direct sunlight, improper installation, or maintenance.
	No other warranties, express or implied, are made.
The manufacturer is not liable for any loss, damage, or special, indirect, incidental, or consequential damages related to the product.	
No fabricator, installer, dealer, or employee of Ace Mica Pvt. Ltd. is authorized to alter this warranty's terms.
